

Second Pizza Arena SUN JUL 9 1972 Planned by Perani

Bob Perani, all-star goalie of the Flint Generals hockey team, plans to open his second Pizza Arena July 17 at 4496 Beecher, Flint Twp.

The restaurant will have pizza, spaghetti, lasagna, raviola and submarine sandwiches for take out. There will be free delivery service.

Dough for the foods will be made at Perani's Averill Ave. restaurant, but the other ingredients will be added and the baking done at the new place, Perani said.

Perani's restaurant is one of three businesses to be in a small plaza owned by Sunshine Food Stores at Mill and Beecher roads. A Sunshine store opened Feb. 6, and negotiations are continuing for the third business, a Sunshine official said.
